

## EPOS MADE EASY.

Intuitive POS systems from the market leader Vectron.

### POS SYSTEM POS S15 II

#### ROBUST & INTUITIVE POS SYSTEM

The Duratec POS S15 II combines security and flexibility with ease of use and simple programming at an extremely fair price – the ideal stationary POS system solution for small to medium-sized companies. Proven functions guarantee efficient processes and prevention manipulation. Articles are booked in just a few taps, master data can be amended quickly: A POS system doesn't get any easier than this.

### KEY POS FUNCTIONS

#### MOBILE CASHING

The S15 II can easily be combined with the Duratec MobileApp. Save time and walking distance with our POS app to book sales on mobile devices. Available for mobile iOS- and Android devices.

#### CASH UP FOR GROUPS SEPARATELY

Using the split function you can quickly split Bills / Receipts between individual guests. Time-consuming, error-prone divisions are a thing of the past. The POS system is correct, the guests are happy and your staff are under less stress.

#### CLEVER COURSE CONTROL

Cold soup, warm ice-cream? You know what needs to be organised and communicated so that the right dishes come to the table in the correct order. Our POS system facilitates your life.

### BRIEF & CONCISE

- ✓ 38.1 cm/15" Touch screen
- ✓ Extremely robust metal housing
- ✓ Dust- and waterproof display frame
- ✓ Application-specific interfaces
- ✓ Perfect protection from viruses and manipulations
- ✓ Highest system stability
- ✓ Meets the demands of the "fiscal" laws of many European countries 100%
- ✓ Leasing, including Full Service offer available

### CUSTOMER CARDS, VOUCHERS AND RESERVATION SYSTEM

Customer, voucher and payment cards: Manage your campaigns with the optional bonVito marketing tool directly via the POS system, e.g. discounts, coupons, stamps and many other campaigns. You can automate your voucher management.

Reservation system: Give your customers the possibility of reserving a table conveniently online. Around the clock and with automatic reservation confirmation. The reservation status is live at any time, thanks to the POS system integration.
